PERC to host inaugural CRIRSCO webinar The CRIRSCO Template to UNFC Bridging Document Update 2024

PERC is pleased to announce that we will be playing our part in a new CRIRSCO initiative by hosting the inaugural CRIRSCO webinar next week. The webinar will be presented by EurGeol Dr. Edmund Sides PGeo, currently Deputy Chair of CRIRSCO and Chairperson of PERC.

His presentation will cover the following topics:

- An overview of what CRIRSCO, PERC, UNECE and the EGRM are
- The relationship between the CRIRSCO Template and UNFC
- The 2024 CRIRSCO Template to UNFC Bridging Document Update
- Guidance Note on its use (a NEW joint CRIRSCO-UNECE document)
- Concluding Remarks
- References

The Zoom webinar will be repeated twice to facilitate participation by members of CRIRSCO's other national reporting organisations (NROs). When registering make sure that you select the link for the correct date and time, otherwise you may not receive the correct link for the Zoom webinar. A recording of one of the Zoom sessions and a pdf version of the slide presentation will be made available after the sessions have been completed.
